Remuneration and Fees

Remuneration and Fees - Non-life

CUsafe is remunerated by a professional fee for the initial work activity and time spent in seeking the best terms, advice, product and product producer for your specific needs. A professional fee is also charged for the activity involved in the renewal of the policy and also any alterations that take place during and at termination of a policy. A scale of our fees is undernoted (the percentages shown represent percentages of premiums). We are usually remunerated by commission received from the product producers (details available on request) for the work involved in placing an order and finalising the product with them on your behalf and this is not connected with any professional fee which we charge you. (Some product producers do not pay a commission)
